'RPDR's Ross Matthews Picks the Queen He Wants on the Judges Table

By Ryan Lewis Martilla — Published May 27, 2024

THE BIG PICTURE

- Ross Matthews wants Jinkx Monsoon to judge on *Drag Race* due to her extraordinary career and talent.
- Other queens he'd want as judges include Bianca Del Rio, Monét X Change, Bob the Drag Queen, Shea Couleé, and Nina West.
- Jinkx Monsoon went from *Drag Race* winner to playing a *Doctor Who* villain, showcasing a future beyond the drag scene.

Several former contestants from the **Drag Race franchise** have gone on to host their own *Drag Race* shows. Several have served as panelists — from **Brooke Lynn Hytes** from *Canada's Drag Race* to **Nicky Doll** from *Drag Race France*. *RuPaul's Drag Race*, the original show, has yet to feature an alum sitting alongside **RuPaul** on the panel. According to longtime judge and co-producer **Ross Matthews** (the hilarious Ross Matthews, if you're nasty), there are several queens he has in mind for the judges' table, one of which is a queen dubbed the "Queen of All Queens."

Yvie Oddly Shares Goss On 'Drag Race All Stars' Season 7 Drama

By **earthnews** — 2 months Ago

Yvie Oddly has spilled some serious tea about her time on *Drag Race All-Stars* season 7.

In a conversation on *Drag Tea Served with Matt*, the *Drag Race* season 11 winner was asked about a series of posts she made after the series that expressed her dissatisfaction with the season and her portrayal on it.

"I went back to have fun, I didn't think I was going to be the queen of all queens," she said. There were all these other sides of me that I was so excited to show, and just do this victory lap, no pressure.

"And while that is ultimately the product that ended up getting delivered to the fans, the process was not that. I don't know if the judges just didn't get the memo early enough, but I would say that I and all the queens in general were more critically judged than on a lot of our original seasons."

"They said some things to me that are probably still going to stick with my annoying little brain for the rest of my life that don't need to, that don't mean anything, because they didn't air."

Yvie Oddly's experience on *All Stars* season 7

Yvie shared that judges told her that she hadn't figured herself out, and that she hadn't grown as an artist since her *Drag Race* season 11 win. "They're critiquing us like we're baby queens trying to find our footing in the world," she said.

The news comes as a surprise, given that *All Stars* season 7 was seen as an extremely positive and fun season of *Drag Race*, owing to the fact that it was the first all-winners season in the franchise.

Drag Race's Yvie Oddly shares juicy details about the unaired All Stars 7 reunion

BY JORDAN ROBLEDO
25th May 2024

Drag Race star Yvie Oddly has spilled some pipping hot tea on the unaired reunion for *All Stars 7*.

Back in May 2022, Mama Ru and company released the highly anticipated all-winners season of the beloved spin-off.

Throughout its 12-episode run, former champions – Jaida Essence Hall, Jinkx Monsoon, Monét X Change, Raja, Shea Couleé, Trinity the Tuck, Yvie and The Vivienne – battled it out for the coveted crown.

While all the competitors delivered unforgettable moments throughout the season, Jinkx came out on top, becoming the show's first ever Queen of All

Below this is a large image featuring four drag queens in elaborate costumes against a yellow background. The article title 'The 10 Best Queens To Never Win 'RuPaul's Drag Race'' is overlaid on the bottom of the image. Below the image, it says 'By Michael Blok' and 'Published May 20, 2024'. There are social media sharing icons for Thread, Follow, and Share. A 'Sign In To Your Collider Account' button is also present. Below the article header, there is a section titled 'THE BIG PICTURE' with a list of bullet points. The first bullet point states: 'Winning RuPaul's Drag Race is a challenging feat that tests competitors' charisma, uniqueness, nerve, and talent.' The second bullet point says: 'Each season's criteria for winning changes, making the competition unpredictable and subjective.' The third bullet point says: 'Even without winning, talented queens like Kennedy Davenport, Naomi Smalls, and Latrice Royale have built successful careers post-show.' Below the list, there is a paragraph of text starting with 'Winning *RuPaul's Drag Race* is not easy. There have been an incredible number of brilliant drag artists who have fought their way through the flagship program and the All-Stars spin off and have yet to be crowned by **Mama Ru**. Over the span of 16 regular seasons and 9 All Stars seasons in the US, over 200 drag queens have lit up the main stage and become superstars. **Winning *Drag Race* is not easy, and it's certainly not for the faint of heart. It's a pressure cooker!**

Yvie Oddly's Candid Critique Highlights Need for Reality TV Reform Beyond Drag Race

Last Updated On 17 May 2024 By M. Osama Asghar

Yvie Oddly, winner of *RuPaul's Drag Race* Season 11, has always been a standout figure in the world of drag with her unique artistry and fearless authenticity. Recently, she opened up about her experiences and shared her thoughts on the Drag Race franchise, reality TV, and her new book, *"All About Yvie: Into the Oddity."*

While Yvie's insights are invaluable, especially her calls for unionization and better treatment of reality TV participants, the broader implications of her critique underscore a pressing need for systemic reform in the reality TV industry.

Challenges and Resilience

In her [interview](#), Yvie discusses the physical challenges she faces due to Ehlers-Danlos Syndrome (EDS) and how it influences her performances. Her resilience and adaptability are inspiring, but they also highlight a significant issue within the entertainment industry: the lack of adequate support and accommodations for performers with disabilities.

Reality TV, in particular, often thrives on pushing participants to their limits without considering their health and well-being. Yvie's story is a stark reminder that the industry needs to adopt more inclusive practices and provide comprehensive support to all performers, regardless of their physical conditions.

THE BIG PICTURE

- Yvie's new book offers insight into her life and Drag Race experiences, providing fans a deeper perspective.
- Yvie advocates for unionization in reality TV due to poor practices and believes in advocating for better treatment.
- Yvie appreciates the new Drag Race winner Nymphia's creativity and unique storytelling, and is excited about the diverse cast of All Stars 9.

When Yvie Oddly made her drag race debut in *RuPaul's Drag Race* Season 11, she took audiences by surprise with her crazy physical abilities and quirky artistry. She was also very candid about the reasons behind her physicality. She has **type 3 Ehlers-Danlos Syndrome**, or EDS, which is a disorder that affects her joints and other connective tissues. Despite all of this, Yvie was able to stay true to who she was as an artist while still giving RuPaul and the judges everything they wanted. This is what ultimately took her down the path of success, winning the crown at the end of the season. Yvie returned to *RuPaul's Drag Race* Season 7 of *All Stars*, which featured

Drag Race's Yvie Oddly Reflects on New Memoir and Improved Relationship With Fans: 'We're Chill' (Exclusive)

By [Eliza Thompson](#) | June 18, 2024

Yvie Oddly is not the kind of person you'd ever describe as "shy," but the [RuPaul's Drag Race](#) alum still found it challenging to open up about their past in their new memoir.

"I'm not known for holding my tongue when I have something to say," Yvie, 30, exclusively told *Us Weekly* ahead of the release of [All About Yvie: Into the Oddly](#). "It would surprise people to know that as forthright and open as I am, there's still things I did not want to put in the book, and there are still things about me that aren't in the book. Mostly because I'm like, 'Oh, I guess people don't need to know how many toes I have.' That is for me specifically and all of my sex partners who are into odd numbers."

While that last part is (probably) a joke, Yvie got more serious when describing the writing process as "therapeutic." In addition to cowriting the book with **Michael Bach**, the reality star enlisted friends, family and fellow *Drag Race* veterans to share their thoughts on the phenomenon known as Yvie Oddly.

"I understand why people see therapists," Yvie quipped. "Now you have somebody to go talk about all your trauma to. They ask you a few questions and you cry at them. It really was therapeutic because it helped me realize exactly how much I was holding onto and how much I really didn't understand that I was holding onto things."

Yvie Oddly Is Over Drag Competition Shows — But They'd Definitely Do 'The Traitors' (Exclusive)

By [Eliza Thompson](#) | Updated on: June 19, 2024

Yvie Oddly is over drag competition shows after two stints in the [RuPaul's Drag Race](#) universe, but there's one gig that would draw them back to reality TV.

"Get me on [The Traitors](#). Get me in!" Yvie, 30, exclusively told *Us Weekly* while [discussing their new memoir](#), *All About Yvie: Into the Oddly*.

Yvie, who won season 11 of *Drag Race* before returning for *All Stars* season 7, explained that drag reality TV feels too personal now — but a non-drag competition show isn't off the table.

"I'm really competitive and I love reality TV," Yvie continued. "So I'd do anything that doesn't put my personal art form as being the thing that determines whether or not I deserve to be a human being. [But] if we're talking about my shady-ass personality, get me in *The Traitors*."

The Traitors, which airs on Peacock, is [currently filming its third season](#). *Drag Race* season 8 winner **Bob the Drag Queen** is [set to appear in the new episodes](#) alongside reality stars including *The Real Housewives of New Jersey*'s **Dolores Catania**, *Selling Sunset*'s **Chrishell Stause** and *The Bachelorette*'s **Gabby Windey**. Previously, the only other *Drag Race* contestant to star on *The Traitors* was **Peppermint** in season 2, but her [time was cut short](#) after **Trishelle Cannatella** mistook her for a traitor rather than a faithful in the first episode.

RuPaul's Drag Race champion Yvie Oddly has posted (another) set of full-frontal nude pictures on social media.

If you're even a casual fan of *RuPaul's Drag Race*, the chances are that you know a few things for sure. For example, *Gottmik* is a trans legend, *All Stars 2* is the best series of the spin-off and *Tetebubbles* do not belong in the werk room.

[Listen on Apple Podcasts](#)

Yvie Oddly took the world by storm when she strutted her way to victory in the eleventh season of RuPaul's Drag Race. Her unique style and boundary-pushing performances earned her a spot as one of the most influential drag queens, as recognized by New York Magazine in June 2019.

In this week's episode, we're diving into the wonderfully weird world of Yvie Oddly, whose unconventional drag persona has been described as "the oddest drag queen in history." Her drag persona, far from being a beacon of femininity, celebrates the strange and the extraordinary, inspiring a generation to embrace their quirks, stand tall in their uniqueness, and dare to be different.

And for all you Yvie Oddly fans out there, get ready to add a new title to your reading list. Her memoir, *All About Yvie, Into the Oddity*, is out now.

📍 Novelette Booksellers
📅 Sun, Jul 28 6:30pm

FULL DESCRIPTION
The laugh that launched a career. At least that's what I remember of Yvie Oddly's run to becoming the Season 11 winner of *RuPaul's Drag Race*. When she showed up in the famous workroom back in 2019, she was loud, weird and a little bit spooky — a triple threat in the drag universe. The first time she threw her head back, opened her mouth wide and let rip that booming, distinct laugh, I was hooked. In 2022 she came back to compete on Season 7 of *RuPaul's Drag Race All Stars*, and she's been touring and doing all kinds of things since then — including writing a memoir! If you get excited when *Drag Race* winners come to town but you prefer seeing them prior to 11 p.m., boy, do I have the event for you. Yvie Oddly will be doing a meet-and-greet and book signing with her co-author, Michael Bach. Tickets are required, so make sure to snag one from [Novelette's event page](#). **KIM BALDWIN**

TOPICS: YVIE ODDLY MEMOIR DRAG RACE DRAG QUEEN

KUTV — Yvie Oddly, Season 11 winner of RuPaul's Drag Race just released her memoir, "All About Yvie, Into the Oddity".

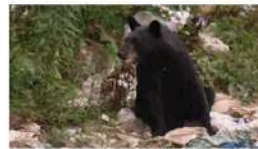

In the book, she tells with raw honesty and transparency, her unabashedly bold backstory, and their unique journey from growing up as a queer mixed-race youth in Denver to sharing all the juicy and not so pretty details from her time in the "Werk Room" and on life as a drag queen winner on a global stage.

"To make this book successful – to tell the story I feel I owe to the fans- I needed to be willing to dig deep and see the real me. The truthful me", Says Yvie.

Yvie will be at Under the Umbrella Bookstore for a book signing on Thursday July 25, 2024 from 5-7pm
